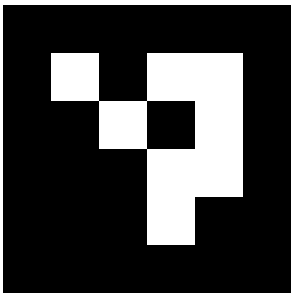
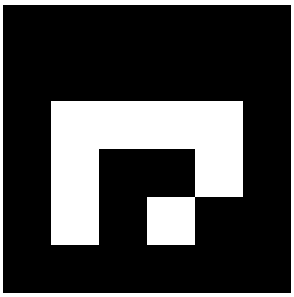
Floor measuring mat

Print US Letter at 100% / Actual Size. Disable Fit to page.



ID 0 | 1.50 inch marker



ID 1 | 1.50 inch marker

Keep all four markers visible

Top: camera directly overhead; select opposite item corners.

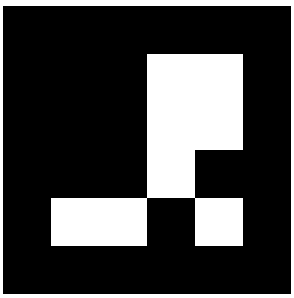
Side: stand mat upright beside the item in the same plane.

Select the bottom and top of the item to measure height.

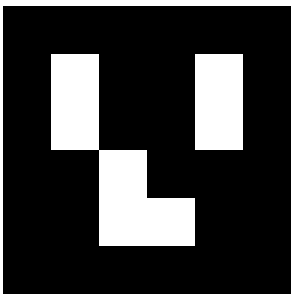
Review measurements before applying. No weight is measured.

Use a larger calibrated board or a ruler if the item covers markers.

Check this line measures exactly 1.50 inches



ID 2 | 1.50 inch marker



ID 3 | 1.50 inch marker
